

INTRODUCTION:

The Tri-County Junior Livestock Show is held under the supervision of the Tri-County Junior Livestock Show and Sale Board. The Board makes and enforces all rules for the show. Throughout the rules, “Board” refers to the Tri-County Junior Livestock Show and Sale, and “Show” refers to the Tri-County Junior Livestock Show.

The purpose of the Tri-County Junior Livestock Show is to provide an opportunity for youth members to exhibit their livestock projects before the public, thus promoting and providing the incentive for achieving excellence in livestock production skill and practices. Such achievement and participation in the Show encourages sportsmanship, leadership, citizenship and responsibility of the highest order in the members.

Through the judging and placing of entries, modern livestock marketing standards are outlined and the education of members, leaders and parents regarding livestock industry trends is made possible. As part of the Show, the Board offers a Livestock Sale for market animals.

INTERPRETATION AND ENFORCEMENT:

The Tri-County Junior Livestock Board reserves the final and absolute right to interpret these rules and regulations and to settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Show.

LIABILITY:

All entries are accepted with the understanding that each exhibitor shall be solely responsible for any loss, injury or damage done to or occasioned by him/her or arising from any animal or article exhibited by him/her. Exhibitors and parents agree to hold blameless the State of Nevada; Tri-County Junior Livestock Show and Sale Board; Tri-County Junior Livestock Show Board Members; Humboldt County Fairgrounds; Board of Regents, University of Nevada, Reno; Nevada Cooperative Extension; 4-H leaders; FFA advisor/s and other persons involved in the

operating of the show and sale in case of accident or injury of any nature to the exhibitor, or any loss or damage that may occur to their property or livestock.

CONDUCT AND SUPERVISION OF EXHIBITORS:

Exhibitors are the representatives of their youth organizations and are expected to act in an appropriate manner. Misconduct of an exhibitor such as to reflect discredit on himself/herself, his/her club, or the Show, will be cause for disqualification and will result in removal from the show. Malicious damage to the Humboldt County Fairgrounds will also be considered just cause to remove an exhibitor. In such cases, all awards will be withheld.

Every effort will be made to secure fair and impartial judges for the show. Judges may not be used for more than two consecutive years. The judge will give reasons for the decisions rendered. These reasons or comments from the judge are to assist the exhibitor in the education of livestock production and showmanship. **THE DECISIONS OF THE JUDGES ARE FINAL.** Any interference, discourteous or unsportsman-like conduct towards the judge or officials by parents, exhibitor, or spectators, will be cause for disqualification of the participant and forfeiture of any awards.

Any use of alcohol, illegal drugs or tobacco by minors is grounds for immediate disqualification and expulsion from the Show. Exhibits and exhibitors will be removed and forfeit all rights to any awards or prizes.

While at the livestock show, all exhibitors must be responsible to and chaperoned by their respective leaders, advisors and/or parents. All exhibitors must be under the supervision of an adult chaperone during the show and sale and not left in the care of Show officials.
